The seal features an eagle with wings spread, holding an olive branch and arrows, with a shield on its chest. A banner above the eagle reads "E PLURIBUS UNUM". *A BALANCED BUDGET:
For the Board of Public Works*

November, 2009

A Fiscally Responsible Budget

- Maryland is 1 of only 7 states with a Triple A bond rating certified by all three bond rating agencies.
- In reaffirming Maryland's AAA status in October 2009, rating agencies observed:
 - "... the state has pro-actively responded to recent structural budget imbalance." (Standard and Poor's)
 - "The state has taken prompt and repeated action to preserve operating balance..." (Fitch)
- A November 2009 Pew Center on the States analysis included Maryland among the 17 states least like California in terms of the economic and fiscal factors that contributed to California's "fiscal peril."
- Maryland is 1 of only 8 states planning to save more than half of its ARRA Fiscal Stabilization funds for FY 2011 priorities.
 - Preserving a portion of the federal dollars until FY 11 allows the State to use the dollars as a bridge to FY 12 when the economic outlook and the State revenue picture are expected to improve.
