Full year column includes new construction added for the full year (July 1). The New Construction column is property added for partial year levy (Oct. 1, Jan 1, and Apr. 1).
 Cecil County full year and business personal property columns include the value of the Rock Springs Non-Utility Generator.
 Garrett County is not levying a tax against business personal property. The figures in that column are for personal property of a non-utility generator used to generate electricity which is a separate class of property.
 These figures do not include adjustments necessary to calculate State grants to local governments or any tax credits. The above Business Personal Property figures for July 2011 must be adjusted before being used for state aid purposes by substituting the following figures in (\$'000):
 Allegany County \$192,160, Somerset County \$34,771, Wicomico County \$296,232, and Worcester County \$197,130.

The Estimated Taxable Assessable Base at the County Level For the tax year beginning July 1, 2012

Full year column includes new construction added for the full year (July 1). New construction is property added for partial year levy (Oct. 1, Jan. 1, and Apr. 1).

Cecil County full year and business personal property columns include the value of the Rock Springs Non-Utility Generator. Garrett County is not levying a tax against business personal property. The figures in that column are for personal property of a non-utility generator used to generate electricity which is a separate class of property.

Full year column includes new construction added for the full year (July 1). New construction is property added for partial year levy (Oct 1, Jan 1, and Apr 1). Cecil County full year and business personal property columns include the values of the Rock Springs Non-Utility Generator. Garrett County is not levying a tax against business personal property. The figures in that column are for personal property of a non-utility generator used to generate electricity which is a separate class of property.
